Shomaim News Report - Simche Section

I promised Breaking news & here it is.

It may be more exciting to me then to anyone else, so sorry if I got anyone over excited & all they got was this.

I Thank Hashem from the bottom of my heart with so much Joy,

For giving me just now a new & holy Neshome, such a cute little Boy.

Hashem has given me a gift for my 90 days Clean,

What a hug, if you know what I Mean.

I wish you all many simches & hugs from Hashem Above,

When you get that hug, only then will you know the meaning of Love.

I ask Hashem to give this little boy the Power to Fight,

To make everything wrong in this world, Right.

To Everyone in the USA Good Night,

And to all of you in the Holy land, Good Morning, & let there be Lite!

Mazal Tov!

E.L.

Okay, since the only thing I'm doing today on GUE, is fighting. I think I can retire...

TrYiNg, please. You are not fighting, and neither am I. We are just assertively clarifying our needs. If you feel that this is a fight, I'll gladly wave the white flag. I don't intend to fight.

Your right. But since I'm 'assertively clarifying my needs' a bit sharply. I think I shall resume all

Neh! Let him check it out, at least I don't mind at all.

I will tell you the truth, I respect more the fighters on this site then I do people that don't have this problem or do & just don't deal with it. (The percentage of ppl with this problem out there is a lot bigger then u can imagine)

Guys like us (except for me) are the real stuff fighting the Y'H with no other intention then to get closer to Hashem not showing off to anyone for we are anan. just Lishmoh to do Hashems will impressing no one but ourselves.

We have nothing to be ashamed of at least not among ourselves for we know the truth.

And your Chosson is B"H one of those out there that has his head on the right way & appreciates it as well.

Maybe he can even give us some chizuk.

my chosson said the exact same thing! he respects us all very much. He says we're the real stuff!

i'm not going to show him unless he asks. i think it's still private.
