Shomaim News Report - Simche Section

I promised Breaking news & here it is.

It may be more exciting to me then to anyone else, so sorry if I got anyone over excited & all they got was this.

I Thank Hashem from the bottom of my heart with so much Joy,

For giving me just now a new & holy Neshome, such a cute little Boy.

Hashem has given me a gift for my 90 days Clean,

What a hug, if you know what I Mean.

I wish you all many simches & hugs from Hashem Above,

When you get that hug, only then will you know the meaning of Love.

I ask Hashem to give this little boy the Power to Fight,

To make everything wrong in this world, Right.

To Everyone in the USA Good Night,

And to all of you in the Holy land, Good Morning, & let there be Lite!

Mazal Tov!

E.L.

Yes! That's the one thing that I hate about that web site.

naive commenters.

The negative comments and feedback is so many times below disgusting.

Like a sewer backup some people feel that everything they have on there mind has to come out.

Augh, women! The moment something goes wrong they think the world is coming to an end.  
(Oy, and the crying is the worst!!)

Mom, take it easy. There are other filters out there. Check out our [filter section](#).

And besides, you are already addicted to GYE, so you don't have to be afraid of going other places on the internet. Your addiction won't let you. So what do you need a filter for so badly? Remember, there is *nothing* but GYE. Everything else is hot-air. You *know* that.

Shomayim news:

It has been falsely reported in this newspaper that the women have been disturbing the peace.  
Any future slanderous comments will be dealt with according to female interpretation of the law.

IN order to set the record straight, we will share the contents of female conversation behind the mechitza:

Fill the men come in, that is, then you hide behind those mechitzes and make such a noise.

MOM

My friends at work look at me as if I need to be hospitalised, bursting out in laughter like this.

If they expell me till I bring a note from my mother would you give me one?

In the Chovas Hatalmidim the holy Piasetsner Rebbe writes that just like when you shake a cloth the dust falls of so is it when Jews are dancing and shedding their aveires at that time.

so next time you dance by a mitsva, like a wedding etc. remember those words and it will add a lot to it.
