Hi,

I decided to go to a live SA meeting (after failing to stop for over a year). I'm in NY and would like to know if anyone can recommend a group. You can PM me or reply here.

Thanks so much.

Thanks for the reply.

It doesn't necessarily have to be GYE (it would be nice), just looking for a SA meeting...

sa.org and do a meeting search. Around here(WAAAAAY out of town!) the meeting that has worked best for me has changed personalities every meeting. I plan on sticking around for a while.

Hatzlacha in all things GOOD.
