---

My eyes are totally out of control !

Please give any suggestions for what you have done that works.

I know we've discussed this b4 but i think a chazara and any new chiddushim would be helpful for everyone.

Thank you and Tizku L'Mitzvos!

Look at Osama - you know, every time the US kills a muslim cleric or terrorist, what do they find in their houses? Huge porn video stashes!

Sorry for interrupting, but is this true? Did they find a huge porn stash down at Osama's place?

Take it EZ, TZ. You sound like you're ready to head over to Pakistan.

And remember even if they found..., it's not your problem. It 'was' his problem. Now it's nobody's problem, I guess.

Thanks DOV for clarifying, Now i will try to explain it in short words and you tell me if im correct.

When we see a immodestly dressed or just any women and lust starts. by praying for them we automatically do 2 things:

1. We move our thoughts to good things, by instead of thinking about her physical look , we think about her emotional needs,
2. By praying for them we look at them as real human beings and not sex objects.

It make a lot of sense, will try to practice it, and will let you know how it works.

Thanks again!!!!

Yes, they did. The Wall Street Journal ran a story about the entire operation and the writer mentioned the schmutz derech agav. Of course (since I am *such* a groiseh goodie-goodie) it got

Nu. But if it matters that much to you and you don't want to take *my* word for it, I am sure you could find the nice guy's entire stash displayed as, umm, 'evidence', on youtube yemach sh'mo. Hahahahah!!

;D
