

block out ads

Posted by happyjew - 21 May 2012 16:32

any one knows of any programs that blocks out not tznus ads on the sides of clean web pages?

You can call 718-717-8241. Volunteers are standing by to help with any internet/filtering requests. This is in conjunction with last night's asifa. As advertised today on Kol Mevaser.
