I tried to be shoymer my eyes in the last few days. and as mentioned previously i am bechasdey haShem 25 days clean.

My life changed back to how it was after sukkos. I feel again like a human being, I mean I feel that I have again the tzura of an odom. I can walk again along the street without being afraid of goyim (i live in an area full of druken people...like, they drink the whole day, they cant think clearly, and in such a condition are likely to attack somebody; as I was in the school even a lot of my goishe "friends" would get a punch here and there) or the dogs (i was bitten by a dog and i dont like this creatures too much..). I am not so afraid about shiduchim. NOW I CAN be boteach that haKadosh b"h will give me a nice wife (what I couldnt do before...you understand) It's so much better now (the matzav), halevay it would last forever.

Thank You very much, guys/GYE's. I don't believe it would be possible without You all. The one tzaddik who started this site has a big zechus. natrey rachmona uvarchey.

26 days. (on the chart for some unclear reason 25 days...nunu, deos chalukos.)

soldier, do you know this kind of "restaurants" where the people feed the animals with a lot of grass, just to have a FAT animal to shecht?? are you speaking about that?

First i want to tell you im in an awesome mood and its not bc i didnt fall,bc i did last night fall.i said my prayer tried to go to sleep and i couldnt fall asleep.

lust hits...another prayer....redeemed...but still no sleep...im so tired ....bring blanket closer to....another prayer...then i made a fatal error ....i took my first willing drink...'ill just start pleasuring myself....another prayer..it stops... still cant fall asleep...'ill just do it until just b4'...i start..i feel too close... i stop...but two sec. go by and i wasnt quick enough....or truer said the fist drink of lust was too far...im very happy i fought but since i fell, on friday im leaving the acctb. group until i get a wseek straight clean....then ill join back..

im sorry to hear our soldier fell...

btw i was wondering if you guys are 12 steppers.if not i strongly reccomend the phone groups..im still falling albeit only a quarter of my previous falls....but my life attitude has improved incredibly..im calmer ...dont flare up or get angry nearly never...

KOT anyway i need to be puttung 7 pounds in the tzedokah pushka...happy trucking!!!!!!!!!!!!!!!!!!!!!!

No I don't understand. There was a time when I shared that warped philosophy, now I don't understand.
