

How long does it take for you to recover from a fall?

Hey Guys,

Just wanted to know how long it took you guys to recover from a fall (i.e. masturbating once only)?

Usually takes me about a week to regain the physical strength and about 2-3 weeks to feel happy and track again.

Wow, Dov isn't just a recovering addict, but also a mekubal.

Or more precisely, Dov isn't just a mekubal, but also a recovering addict.

Whatever the order, it should be noted that sforim hakdoshim advise not to leak kabala inappropriately, lest it 'trigger' other sorts of inappropriate leaks.
