

How Is Your Day Going? "The Next Generation HI"

Posted by Shteeble - 18 Oct 2012 16:13

What is the purpose of this Thread?

Similar to the "just wanted to say Hi" thread, it's purpose is for friends to be able to stay in touch (at least at a very basic level).

I often come to the forum to pull myself out of a low mood and save myself from acting out.

Unfortunately, sometimes the forum is just too quiet, and the spiritual lift I was looking for is not to be found.

These threads are easy to post on (they don't cause finger fatigue or carpal tunnel syndrome), and help make some noise amongst all the quiet.

Seeing a quick hi from a friend can be enough to lift my spirits and save me from trouble.

INSTRUCTIONS FOR THIS THREAD:

To make things easy for you, and in the spirit of 2 character gye posting, all you need to do is type a number from one to ten.

ten means you're having the best day of your life.

one means you need help.

Every day is a gift from H'.

Every day is really a million on this scale.

But for the purpose of this thread, we will use HOW THE DAY "FEELS" as the gage.

If you want, you can type more than just a number.

(Special server for this thread... It can handle longer posts.)

Thank you.

P.S. To my dear friend who can't stand when I start a new thread:

first number is hours of sleep you got last night

second number is how many bowls of cheerios you ate for breakfast

does that clear it up?

(note, understanding this does not necessarily mean you are on the correct planet)

Oh, OK. Then it's $5 + 4 = 6$

...I think.

I was thinking more along the lines of "Battle Without Honor or Humanity" (the Kill Bill theme song)

Hah! You are a hopeless (and hopeless) genius! It's exactly that same thing as the fear of saying Voldy. It gives it more power! Buwahahahahahah.

I'm going to bed now, and surrendering my lust for Cheerios completely.

B"H I am over a month (39 to be exact) just not giving in and I am not looking on the street!!
This has lead me into the longest streak of cleanliness I have had since I learnt to masturbate.

Gevaldig! When you catch yourself doing something good, you should compliment yourself and just keep it up.

"not looking on the street" is a great approach. Hope it also includes not looking anywhere where danger lurks. And take it from this experienced loser - not looking is not enough if lusting still continues in the mind. So we need to 'see no evil, hear no evil, and think no evil', and avadai we should do no evil.
