

How Is Your Day Going? "The Next Generation HI"

Posted by Shteeble - 18 Oct 2012 16:13

What is the purpose of this Thread?

Similar to the "just wanted to say Hi" thread, it's purpose is for friends to be able to stay in touch (at least at a very basic level).

I often come to the forum to pull myself out of a low mood and save myself from acting out.

Unfortunately, sometimes the forum is just too quiet, and the spiritual lift I was looking for is not to be found.

These threads are easy to post on (they don't cause finger fatigue or carpal tunnel syndrome), and help make some noise amongst all the quiet.

Seeing a quick hi from a friend can be enough to lift my spirits and save me from trouble.

INSTRUCTIONS FOR THIS THREAD:

To make things easy for you, and in the spirit of 2 character gye posting, all you need to do is type a number from one to ten.

ten means you're having the best day of your life.

one means you need help.

Every day is a gift from H'.

Every day is really a million on this scale.

But for the purpose of this thread, we will use HOW THE DAY "FEELS" as the gage.

If you want, you can type more than just a number.

(Special server for this thread... It can handle longer posts.)

Thank you.

P.S. To my dear friend who can't stand when I start a new thread:

O pray tell my good sir,

Why is bein hazmanim a 9? Do you lookofrward to pesach cleaning or do you finally have time to go to the densist to take care of that root canal (because when you're *areingetun* in a k'tzos it doesn't seem to bother you)

I have found that many addicts have difficulty being "meshubad" to seder hayeshiva.

I always thought it was because of my great geoinus, until one Maggid Shiur sat me down and said "Chuna Feitel: Ich farshtei dich zeier git, ich hub oich ah groise ego". [Chuna Feitel: I understand you very well, my ego is huge as well]

I walked away like- he has a big ego, duh, everyone knows that! but me? humble good perfect [besides for the occasional, maybe more than occasional- aveira] sweet little me? i don't have an ego problem!

But as to your main post: If you check out my Hello Everybody thread [in the woh section] you'll find out that i'm farherring [stiglitz] myself basar b'chalav. in my Names Names Names thread [formerly bais medrash currently just having fun, wonder how that happened...] You'll see that I'm studying Choshen Mishpat, wha-evah [not giving the reference to that] I'm keeping busy...
