

How Is Your Day Going? "The Next Generation HI"

What is the purpose of this Thread?

Similar to the "just wanted to say Hi" thread, it's purpose is for friends to be able to stay in touch (at least at a very basic level).

I often come to the forum to pull myself out of a low mood and save myself from acting out.

Unfortunately, sometimes the forum is just too quiet, and the spiritual lift I was looking for is not to be found.

These threads are easy to post on (they don't cause finger fatigue or carpal tunnel syndrome), and help make some noise amongst all the quiet.

Seeing a quick hi from a friend can be enough to lift my spirits and save me from trouble.

### **INSTRUCTIONS FOR THIS THREAD:**

To make things easy for you, and in the spirit of 2 character gye posting, all you need to do is type a number from one to ten.

ten means you're having the best day of your life.

one means you need help.

Every day is a gift from H'.

Every day is really a million on this scale.

But for the purpose of this thread, we will use HOW THE DAY "FEELS" as the gage.

If you want, you can type more than just a number.

(Special server for this thread... It can handle longer posts.)

Thank you.

P.S. To my dear friend who can't stand when I start a new thread:

Hang in there, brother! Don't let your 'mood' turn into your 'doom' (ie, don't turn your life upside-down).

Thanx MT I wrote to Nitz in PM's a bit and it cooled me off. Someone sent me a news link about something and on the side was the "sex sell's" stuff I started fishing though the stuff and stopped in my tracks and asked myself "Will this make me happy for a long time or only just a bit of pressure release and then I will be even gloomier. Is this what is wanted from me right now, just to succumb and masturbate to porn?" I closed the website and came here to post and cool down. Now I am out of here and going to socialize a bit with friends.

I might be back later to see what's up with you guys later but now is not the right time.

I am even ready if I fall later (even though I deep down don't want to) but now I have the upper hand and I am asking Hashem please help me and take the battle away from me I am right now winning but **I WOULD RATHER NOT WIN BUT NOT HAVE TO FIGHT!!!** (Even though the fight makes you grow spiritually, I feel that now, it is not for me (yet))
