

How Is Your Day Going? "The Next Generation HI"

What is the purpose of this Thread?

Similar to the "just wanted to say Hi" thread, it's purpose is for friends to be able to stay in touch (at least at a very basic level).

I often come to the forum to pull myself out of a low mood and save myself from acting out.

Unfortunately, sometimes the forum is just too quiet, and the spiritual lift I was looking for is not to be found.

These threads are easy to post on (they don't cause finger fatigue or carpal tunnel syndrome), and help make some noise amongst all the quiet.

Seeing a quick hi from a friend can be enough to lift my spirits and save me from trouble.

**INSTRUCTIONS FOR THIS THREAD:**

To make things easy for you, and in the spirit of 2 character gye posting, all you need to do is type a number from one to ten.

ten means you're having the best day of your life.

one means you need help.

Every day is a gift from H'.

Every day is really a million on this scale.

But for the purpose of this thread, we will use HOW THE DAY "FEELS" as the gage.

If you want, you can type more than just a number.

(Special server for this thread... It can handle longer posts.)

Thank you.

P.S. To my dear friend who can't stand when I start a new thread:

2.3

I am getting a niggling feeling that I "need" to look at women not dressed properly (or not dressed at all). But so far I have managed to hold it off.

Hashem please help me just a bit more, I feel I can get over it just help me do it.

If I do fall it will muck me up and may spin off to more and more dirt which you for sure don't want, so just help me out now when it is only a small bump and don't let me get to the big bumps.

Yitzchok

P.S. Just after I finished writing my plea I already feel better. Maybe it has to do with the psychological part of getting things off your mind, or maybe I have an express lane to Hashem after breaking records and not letting my eyes slip for over two weeks now. Which is a major record for me not only the fact of no porn and masturbation but no looking at anyone on the street (I have been a real machmir). So now I would give myself 4.1 and on the rise.
