

Don't Fall on a Whim

Posted by Kedusha - 15 Sep 2009 17:39

I already posted this elsewhere, but felt that it deserved its own thread:

Don't fall on a whim. I'll say it again: Don't fall on a whim. Falling is too painful to do just like that. If a person, c"v, feels like he must fall, he should, at least, think it through. Write down 10 reasons you don't want to fall. Then write down 10 reasons you do want to fall (if you can come up with that many). Then take the matter "under advisement," and don't issue a decision before tomorrow.

Am I the only one who has no clue what the Heiliger Guard means by that?

kedusha

you hit it on the nail.

the Yetzer Horah very often is Mr. Whim

"I made my mind up already" Mr Whim whispers in your ear

"Don't confuse me with the facts"
