

Where did Mevakesh disappear to?!

Posted by SoHard,YetSoRewarding - 17 Sep 2009 03:54

I recently came across Mevakesh's posts, and only now do I realize what a powerful asset he was to this forum, with his thought-provoking insight, delivered in such an eloquent manner!

He posted last on August 14th -- more than a month ago.

Anybody know what's going on with him?

Guard, can you bring back this holy warrior?

Shmilu, just a few days ago I checked out his [kosher] website for the first time. Now I understand why he's too busy to post.

Hello my dear brothers and sisters.

I am sorry that I do not get to post here as often as I would like to, I am indeed quite busy with real life Baruch Hashem.

I am always available though for support if anyone needs.

Thanks Shmilu for your too kind words.

Sorry battleworn that I removed my website address from your post; I would rather not announce that on the forum, as people may one day figure out my identity on that site, and it would be embarrassing for me for them to know my history which I only share with my fellow brothers and sisters on this forum. Thanks for understanding.

Wishing you all a year filled with growth, fulfillment and Siyata D'Shmaya!

Chazak V'Ematz
