Hi,

I'm a little late... like usual.

Just read the twersky letters on the GUI.

WOW.

**Mazel Tov Kallah!**

Huh? No, I'm too young to drink...

Yes, I'll have one of those brownies, thanks... Do you know if they checked the parley for bugs?

What? its seaweed? well, was it checked for sea horses?

Really a wonderful story.

Guard, are you coming in for the wedding?

:D

I missed the action while sitting in class and I gotta run out again in a couple minutes...

Mazal Tov!

And yes, I'll take any and all leftovers. Consider it my way of cleaning up.

**Thanks, all!**

There's a very special feeling

That I felt at 3 today

So a very special thank you

I really want to say

---

You shared in my great simcha  
And i know your joy was real  
You all spoke so sincerely  
And your brachos had such zeal  
You were so enthusiastic  
With the sushi, ice cream, food  
Ant those chocolat leafy brownies  
That put me in a great mood  
Not to mention all the music  
That was blasing oh so loudly  
We were dancing up a storm  
Until mom said "don't be so rowdy!"  
The songs were so befitting  
Theat my tears were rolling fast  
And i tried to save the moment  
So that it would last and last  
But most of all, my family  
I'm happy that YOU came  
Your caring and your happiness  
Deserve special acclaim!

Thanks all of you for the best l'chaim ever!!!!!!!!!!!!
