I probably still can't. It would be too offensive, and doubly so since some of the people here seem extra sensitive (I think rage calls 'em flakes). So being the nice guy that I am I'll try to keep it to myself.

Real curious

Oh, and dont get started on obamanism, liberalism or anything of the sort. I won't know how to stop...

Right? I'm an enigma wrapped in a mystery. Suffice it to say that most of what I think doesn't escape my brain.

As far as Obama...ME NEITHER! I only stopped because it was bedtime and I didn't want to bore you all to death.

## In Memoriam

With all the sadness and trauma going on in the world at the moment, it is worth reflecting on the death of a very important person, which almost went unnoticed last week. Larry LaPrise, the man who wrote "The Hokey Pokey", died peacefully at age 93. The most traumatic part for his family was getting him into the coffin. They put his left leg in. And then the trouble started. How about letting it go voluntarily?

I know who never saw this post.
