Looking for a partner to take over from me access to my Net Nanny account

I have the account open & I pay for it , but I don't want to have access to it any more , so I am looking for a partner

The filter gabbai should be able to help you.

Try this link for more info [guardyoureyes.com/tools/filters#](http://guardyoureyes.com/tools/filters#)

I couldn't find the email for the filter gabbai, but you could try to email R' Guard or PM him (his username is the.guard)
