Will you shed some trears for us by the Kosel?

I believe that the Tfilos and trears from a special person like you, one who brought herself and so many more closer to Hashem, have a special impact up there.

Now, still jealous? :D

You're right, being near the Kosel is worth it all. Unless Letakain sends a ticket and Bardichev picks me up at the airport, bli neder I will go and daven for everyone!

Hashem hears the tefillos of the lowest.
