

GYE SIYUM MISHNAYOS - please join! (Glauber)

Posted by mr. emunah - 05 Mar 2013 01:25

In case you didn't know,

there was a terrible tragedy in Williamsburg on Motzi Shabbos,

a 21 year old couple (Heimishe) were going by cab to the hospital to deliver their

first child,

Their cab was hit by a hit and run driver and both were niftar.

The doctors were able to perform an emergency c-section to save the child, but the

child was niftar today as well.

I find this story so sad for words, and I feel personally responsible (a bit) you know,

maybe if I hadn't been such a sh**ck Hashem wouldn't have had to send this wake up call.

Anyways, I feel a big hisorerus to do something lilui nishmasam, (not something big,

because it probably won't happen, but some thing small and meaningful and maybe we can

use this as an opportunity for growth...

I don't have any concrete plans yet but I'd like to hear if anybody else had a good idea,

and we could make maybe a kind of a group kabola (maybe even only for a short period of

time)

Also if anybody knows there full names (ie avraham ben moshe) could you post it here

p.s. even the goyim in my office heard of this story (and we live about 500 miles away from ny.)
