GYE SIYUM MISHNAYOS - please join! (Glauber) Posted by mr. emunah - 05 Mar 2013 01:25				
In case you didn't know,				
there was a terrible tragedy in williamsburg on Motzi Shabbos,				
a 21 year old couple (Heimishe) where going by cab to the hospital to deliver their				
first child,				
There cab was hit by hit and run driver and both where niftar.				
The doctors where able to perform an emergancy c-section to save the child, but the				
child was niftar today as well.				
I find this story to sad for words, and I feel personally responsible (a bit) you know,				
maybe if I hadn't been such a sh**ck Hashem wouldn't have had to send this wake up call.				
Anyways, I feel a big hisorerus to do something lilui nishmasam, (not something big,				

because it probably won't happen, but some thing small and meaningful and maybe we can
use this as an opportunity for growth
I don't have any concrete plans yet but I'd like to hear if anybody else had a good idea,
and we could make maybe a kind of a group kabola (maybe even only for a short period of
time)
Also if anybody knows there full names (ie avraham ben moshe) could you post it here
p.s. even the goyim in my office heard of this story (and we live about 500 miles away from ny.)

I'm Taking Nedarim now

I just started Kailim, I will be happy to do it for the siyum, but there is no way I will be done by Lag B'Omer, (2 weeks) but I will try.
I had better get off the computer and get started.
