

the void

unfortunately im dealing with some very severe depression which started recently (it usually happens this time of year) i feel like a complete piece of **** and davening and learning is really difficult for me. i want to connect to Hashem but the only g-d i know when im in this state is the g-d of fantasy and temporary pleasure. ive been white knuckling it so far but as dov says 'how long can you hold youre breathe?' i feel totally self involved, stuck in my own head which is the worst place for me to be. ive been reaching out to get some off internet help and im holding on the best i can. i feel this empty space inside and i dont know whats even supposed to go there. im not good at saying what i actually feel, always thinking that i 'have' to be okay. well right now im not okay.

Monkey see double monkey do double.

I'm not never as sober as you don't think I'm not.

I mean, you're not as drunk as we didn't think you weren't.

I mean he's almost as drunk as you didn't know I thought it was.
