Hello dear friends. Dear warriors.

Dear brave.

The fact GYE have known for

some time it has been my experience

marvelous.

It's been time to open the eyes of a

deep sleep of fantasies and lies and re-

birth. Both as a person, Yehudi, as

husband and father.

I can look up to the Shamayim and tell

to Hashem with all my heart:

"Thank You! Thank you for loving me so much and

Tati

me -once again-a wonderful opportunity to

come home, by your side.

Thanks for opening the door of your house and

enlighten me with your light.

Thanks for not letting me continue to act without

responsibility and continue to make mine,

fulfilling my foolish whims.

Please do not forget me, and my

needs -although I am stubborn and rebellious.

Thanks for letting me be a normal person.

Normal as you want and as usual

people believe. "

The last 2 1/2 years of my life, in which

back to my old addiction to act (which might not

was cured, only sleeping) have been for me the

worst years of my life.

I do not mean personal problems or anything

the style, I mean something that was resurface

forgotten me. And again to welcome new

Addiction: Pictures.

Hashem instead, sent me pure

good and gratified all my life with

great joys that are my wonderful wife

my beautiful children and my family. Besides

enjoy

in good health, welfare, peace and many

things.

Someone told me in the forum "

We are not angel's, but people. "

The fight against addiction should not, nor is it

what -do alone.

That we have done for many many years

without seeing breakthrough.

Therefore, it is necessary "Coming out".

I mean addiction. Exit to save our

intimate secret for help.

Help to get -and give- Jizuk and moral support.

We here at GYE we have Baruch Hashem.

Say it is not 'easy' to get support on

this anywhere or with anyone,

even the wife.

Bringing myself, acknowledge that no

I can alone.

Beezrat Hashem I have the need to seek

"Ish Le Reehu Yomar Jazak".

Beatzlacha!
