

Tryin'

Posted by cordnoy - 23 Jun 2013 09:41

Shalom

I am in my 40s married with children

Recently, I decided to get help on a serious level with my addiction .

My mind wanders and the tayva builds.

It would be easy to blame this on the lack of excitement in marriage intimacy, but I had done this at times before marriage, and at times, when marriage bedroom was good, I'd still fall. Perhaps it still is the reason, but marriage stuff is probably not gettin' better anytime soon.

I have more to write, but as this is my first post, id like to hear some suggestions first please.

Thank you so much

C

I'm starting to get the hang of it. Did you blow up the air yourself in those monster tires too?

Mazal tov Cordnoy on 5000 posts. Wow. So many people you've helped; you've kept the forums ticking over nicely, and been a balanced sensible dose of reality.

Your 5000 number is worth so much than if it were just a private victory.

You should have bracha, hatzlacha and have shalom and enjoy the fruits of your labours in this world as well as the next.

Shlomo

Amen!

Nice brachah

not sure about the rest of the post though....

I am.

Don't be so hard on yourself buddy.
