

Tryin'

Posted by cordnoy - 23 Jun 2013 09:41

Shalom

I am in my 40s married with children

Recently, I decided to get help on a serious level with my addiction .

My mind wanders and the tayva builds.

It would be easy to blame this on the lack of excitement in marriage intimacy, but I had done this at times before marriage, and at times, when marriage bedroom was good, I'd still fall. Perhaps it still is the reason, but marriage stuff is probably not gettin' better anytime soon.

I have more to write, but as this is my first post, id like to hear some suggestions first please.

Thank you so much

C

We are beginnin' our third cycle on the afternoon call today iy"H.

1:20 - 1:45 Monday thru thursday.

we have an exclusive email group, where people share their struggles and successes and others respond in kind.

We encourage shares on the call and afterwards.

Especially encouraged for the next two weeks is a first-step share...what is your personal history, struggles, issues, recovery success, challenges, and more.

There is no force, and it is completely up to you.

At times, there were 6 - 8 fellows on the call, and many times there were 14 - 20.

b'hatzlachah to all, as we try, with the help and assistance of the RS"O, steerin' our life in the right direction.

See ya' there!

As my emotions are running high from some of the things being said (particularly on the bb forum) and that is not beneficial for an addict like me, I need to take a break from reading and writing in these threads.

B'hatzlachah to all
