

Tryin'

Posted by cordnoy - 23 Jun 2013 09:41

Shalom

I am in my 40s married with children

Recently, I decided to get help on a serious level with my addiction .

My mind wanders and the tayva builds.

It would be easy to blame this on the lack of excitement in marriage intimacy, but I had done this at times before marriage, and at times, when marriage bedroom was good, I'd still fall. Perhaps it still is the reason, but marriage stuff is probably not gettin' better anytime soon.

I have more to write, but as this is my first post, id like to hear some suggestions first please.

Thank you so much

C

HaaaaaaaaafffffffgggggggeegaaaaaaaaannnnnnnnnaaaaaaaH

All it takes is 6 guysto get Cordnoy back within 24hr. I just read that Karmas may be added every six hours

We're gonna make a world record in his honor to convince him, and the Admin that he ain't going nowhere without us

All volunteers are going to **go out and add one karma** today and one tomorrow for THE MAN!!! and the goal is to help him reach an unprecedented 200 karma+++++ also in record time

If I can make a small request that guys don't reply to this post for like 12hr so we can get this hafgana over and done with peacefully

Until his return the G has been corrected- Cordno' doesn't read his posts in any case

24 and 94, i should pay you commission for promoting this page through negative publicity

I would post every 12 hr, to notify the chevra about his absence, b/c recent threads get pushed down, and not everyone comes online at the same time, but I would look ridiculous.

Just keep at it

Hey Markz I think that you would be a perfect substitute for Cordnoy, why not take over the reigns for a while now?

This is not the "Just having fun section". And by the way unanumun I can do with Cordnoy more for the next 10 days. After that I might join him on his cruise catching Swedish fish

Much more comfortable to sit.

Especially if you're being corrected.
