

Tryin'

Posted by cordnoy - 23 Jun 2013 09:41

Shalom

I am in my 40s married with children

Recently, I decided to get help on a serious level with my addiction .

My mind wanders and the tayva builds.

It would be easy to blame this on the lack of excitement in marriage intimacy, but I had done this at times before marriage, and at times, when marriage bedroom was good, I'd still fall. Perhaps it still is the reason, but marriage stuff is probably not gettin' better anytime soon.

I have more to write, but as this is my first post, id like to hear some suggestions first please.

Thank you so much

C

We can only imagine what Dov would be like if he actually read the handbook.

Ooooooooooooooooooh!!!!

...this is a **Yosemite Sam** moment if there ever was one...I'm gonna pop you, man...is that a tease?

Fo tha reckid, I never had nuthin' (as *someone* would write it) to do with it, from the start to finish, but the writers did tell me they inserted a bunch of things I wrote about, over the years. Not criticizing it - just stating facts.

Yes, very nice indeed, but are you wearing pants? First things first, please.

And in your well-considered response of soberly regaling us with the profundity of wearing pants especially out of doors, kindly eschew all obfuscation.

Thanks, chico.

Can someone please translate for this dropout?

And this one was only one paragraph.

I got the "missin' pants" part.
