

Tryin'

Posted by cordnoy - 23 Jun 2013 09:41

Shalom

I am in my 40s married with children

Recently, I decided to get help on a serious level with my addiction .

My mind wanders and the tayva builds.

It would be easy to blame this on the lack of excitement in marriage intimacy, but I had done this at times before marriage, and at times, when marriage bedroom was good, I'd still fall. Perhaps it still is the reason, but marriage stuff is probably not gettin' better anytime soon.

I have more to write, but as this is my first post, id like to hear some suggestions first please.

Thank you so much

C

When a man climbs the 12 step ladder with Torah, with buddies, complete recovery is possible, including making it right to the ones we wounded by our secret intimacies, When I went through the 90 days GYE showed how to find the 12 steps in Torah. Are there not 12 months in a year, and when there is a 13 month, let us review one of the steps we missed the most.

????? ?????? ?????? ?????

Oh, she sailed away on a sunny summer's day,

On the back of a crocodile.

"You see," said she, "he's as tame as he can be"

"I'll ride him down the Nile."

The croc winked his eye as she bade her mom good-bye,

Wearing a happy smile.

At the end of the ride the lady was inside,

And the smile was on the crocodile!

Boats vs. Trucks... Why does everything with addicts always have to be so black and white?

Keep on Cruising!
