

Back on the Site

Posted by strugglingguy - 28 Jan 2014 04:08

---

This is my first time back on the site in a couple years. I have been busy... I have had good stretches and bad stretches. Currently, I have been struggling. Today (after a couple classes) I felt I needed some "relief" so I looked at some P. I told myself I needed it and there was no stopping myself on the comp. (I get ard. the filter w a proxy). So, that is that...

I'm going to go now - continue with this later...

dear shomer bro

i fully understand your situation

and gibbors & cordony's reply are gr8

i struggled with similar situations

and the only way forward was being on guard 24/7/365

not letting any bad stuff, or even old fantasies, etc... enter my mind

because a little thought brings a desire, which wakes up a sleeping cell, and then you are sold
