not want to fall again but I did not care not to. I 90 day and that inspired my to get back on the
now soooo much better what to do BUT I did no
000 better ways.
g right after the seder. If I fell I was not really in
TING my life away here. and then to start living any other options right now.

BTW I do miss that Guard wont post responses like he used to in the old days.
