

Kosher websites?

Posted by R76 - 25 Jul 2014 00:31

---

I am sorry to ask here -- I do not know where to ask. I have found a Torah website with 65,000 audios at [www.yutorah.org/](http://www.yutorah.org/) . Does anyone know if YUTorah is a kosher Jewish Orthodox site or is it Reform/Conservative?

Thanks. I hope I do not get Reform lectures.
