Great to hear!!

Be very careful here though, there are some very shrewd members here! They're almost like missionaries, they try luring you in, they try making you doubt your faithfulness, and in the end all they want is for you to

Warning: Spoiler!

DON'T FALL FOR IT!!!

Y,

Should I focus on the "missionaries" and "doubt your faithfulness," or was the main intent on "Da Bears"?

And why should a chap from Liverpool care about the packers?
