Shalom Duddy!!

So many wonderful guys on here I don't think I could add much in terms of chizuk.

I like mechanics better. My understanding of addiction is that it stems from us, the addicts, not being able to deal with some kind of spiritual pain, this pain creates a hole in us that we try to fill with whatever our addiction is, women, alcohol, drugs, etc.

Everyone enjoys these things but addicts have discovered using these pleasures to numb the pains and tribulations in life.

So my question to you would be: what is causing you spiritual pain in your life? Spiritual pain includes all negative emotions and attitudes: anger, sadness, resentment, worries.

How's your life? Next time you recognize you're lusting after her, stop and ask yourself, what were you feeling right before? Job worries? Shame over not being productive? Resentment to wife or kids? It could be anything, i know nothing about you.

Think about it and get back to me.

I bli neder will pray for your success

Therapists have been known to be able to help people

[DuddyM wrote:](#)

[DuddyM wrote:](#)

By your willingness to admit that you have a problem and are willing to do what it takes to find a solution

[DuddyM wrote:](#)

-duddy ur lost.....

Only if you sit and do nothing (thinking about how much you "messed up" and not doing anything about it is just as bad as doing nothing and possibly worse).
