

I need help

Posted by joeshmo - 19 Oct 2009 22:10

I am not addicted to viewing porn but I have been going into talk forums and seeking out trans-gendered people. Im not gay and have never acted out in this way but I feel this "Dirty Talking" and viewing pictures of them is getting to be to much, it fills like its killing me with guilt. I hate getting an Aliyah anymore becuase I feel so terrible. I have a beautiful wife of 20 yrs and I have been neglecting her in the bedroom. Please any advice is appreciated. Toda.

I checked the database and found that you had written: ***@yhoo.com instead of @yahoo.com

That is why your registration didn't work, because you weren't able to confirm your e-mail.

I sent it to tech support to fix. I hope you'll be up shortly.

Um, Guard?

That avatar...

Are you having an identity crisis?

Or is this a result of pain?

Never knew you were one of the Queens loyal guards.

Thought you were *ours*!
