

I need help

Posted by joeshmo - 19 Oct 2009 22:10

I am not addicted to viewing porn but I have been going into talk forums and seeking out trans-gendered people. Im not gay and have never acted out in this way but I feel this "Dirty Talking" and viewing pictures of them is getting to be to much, it fills like its killing me with guilt. I hate getting an Aliyah anymore becuase I feel so terrible. I have a beautiful wife of 20 yrs and I have been neglecting her in the bedroom. Please any advice is appreciated. Toda.

We move forward - but we learn from the past. Have you considered not drinking at all?

JS. Do you have a filter?? If we want any chance of making it in this fight we need to at least make it a littel easier on ourselves, no??

I think you can blacklist the problematic sections of the site - it's pretty much just one section that has the issues. I know that in Touro college, for example, you can access the rest of the site, just not any of those sections.

One more reason to daven to find work quickly!

Bro, I know nothing about filters, so I'm the wrong guy to ask. I've heard that Tomim knows this stuff, though.

yes tomim2b@gmail.com is definitely the guy to ask.

I dont wanna sound too frum or anything, but if this site is killing us maybe we shouldnt be using it to find our work?? Maybe if we gave up this site , hashem would see our sacrifice and send us our job some other way. He has all his ways. he doesnt need craig to give you a job.
