

I need help

Posted by joeshmo - 19 Oct 2009 22:10

I am not addicted to viewing porn but I have been going into talk forums and seeking out transgendered people. Im not gay and have never acted out in this way but I feel this "Dirty Talking" and viewing pictures of them is getting to be to much, it fills like its killing me with guilt. I hate getting an Aliyah anymore becuase I feel so terrible. I have a beautiful wife of 20 yrs and I have been neglecting her in the bedroom. Please any advice is appreciated. Toda.

I thought it was awesome!

Hate to admit it but it's not bad.

Not bad at all.

Guard your eyes...

Incognito...

Anav...

Yup; it works.

You have my stamp of approval.

It can stay.

(yes, I know you were worried)

I had 2 falls the last couple of days..I am down but Im not going to stay down and I've just got to
quit crying and be a man and step up to the plate..I will beat this thing with HaShems help and
you men of G-d s as well..last week I felt so strong...I pray for every man on this site who
manned up so to speak and to admit that they need help as I do...I pray for all of us to defeat
our YH...so we can be free at last....Hear my prayer HaShem..
Funny you said "Keep on Truckin" Im a Truck Driver

Great job Joeshmo for having such a great attitude following a fall. The beginning is a sucha
difficult yet focal point in the process. keep it up and you'll be exactly where you want in no time.
Have a great day!

"kol hatchalot kashot"

If it's going too easily - panic!

Seriously, this process is built on two steps forward, one step back.

And yes; occasionally one step forward and two back.

Keep facing the finishing line and dont turn back!

You're doing what you do because you're an addict. And "trying harder" won't help an addict. Read [the GYE handbook](#) and find out what can help. Ask yourself which tools you've tried and which you haven't yet. You'll get through this!!

hey joe! (great song btw) I have similar issues. have had them for a very long time and just starting to actively seek help for them now. In fact, i just started a thread for people like us. I've already recieved some helpful off-site responses. everybody here is very appreciative and understanding here, and for the first time, i dont feel like i really have to hide anything from anyone. --Coby613
