

Happy birthday to Gevura Shebiyesod
Posted by shlomo613 - 10 May 2015 22:14

May I be the first one to wish a very happy Mazal-dig birthday to gevura shebiyesod.

May you have a year of sobriety and sanity, a year filled wih nachas and shalom, a year of 'sabeinu mitivecha vesamcheinu biyshuasecha' - and many happy returns.

May we all be inspired by you and literally join you in celebrating many happy birthdays together.
