I'm still stuck in the rut.

Can't get myself in the mood to work the steps. I know what I have to do to be sober. I'm just to  
downtrodden to care. I know it sounds depressing. But it is. So if anyone has an idea to get me  
working again, shoot.

In a moment of non-turbulence, reach out and call.

As I'm not sure the "Thank you" button constitutes a "umein".

In my experience, when I am not willing, i ask god to grant me the willingness to do his will. He

And what's if I'm not willing to ask god to give me willingness. That's a tough one. Basically when one is happy in the dirt.

A lot has been going on behind the scenes since I last posted, some good some not so good and some out right bad (the out right bad is my doing goes without saying).

I can't believe that all the positive sentiment that I felt a mere four weeks ago are gone with the wind.

In any case we're working on some major changes that will hopefully work for the long haul. One day at a time.
