

GYE Needs Our Help Chevra!

Posted by serenity - 02 Jul 2015 22:59

I took the liberty of copying and pasting a post by Obormottel from yesterday. We gain tremendously from GYE and many of us would not hesitate to drop a hundred bucks on porn whether we can afford it or not! It's time to drop some money here, but you're really lifting up the money by supporting this site!

I have a friend who has pledged to match the first \$500.00 in donations to GYE over the next 30 min! Make your donation and let me know about it here and I'll get matching funds into GYE! \$500.00 total will mean \$1,000.00 to GYE and with the other matching funds offer it is actually \$2,000.00 to GYE, unless my math is off. Basically even a \$50.00 or hundred right now can turn into \$1,000.00 or \$2,000.00 and really \$5,000.00!

Yesterday from Obermottel

"ONLY TWO DAYS LEFT TO GO and we've raised only HALF so far!

An entrepreneurial investor has offered us a challenge. He has committed to donate \$5,000 to GuardYourEyes on condition we raise \$5,000 to match it within one week (by Friday July 3rd). If we don't, we lose the opportunity and his commitment. Please help us reach this challenge. It would be a big help to GYE.

Every dollar you donate is worth twice as much!

Tizke Lemitzvos! May the zechus of your donation be a merit to help you in your quest for purity, Midah Kineged Midah, by helping us help others."

I guess it would actually be \$10,000.00, if we got the \$5,000. I was never good at math. Or

I guess this was an epic fail. I will extend it til 10PM Eastern Standard time. That's New York time for those of you in Rio Linda, CA. And if you get the Rio Linda, CA reference I'll donate

English, History or Science either

\$18.00 for the fun of it

And I gave \$50 a couple of days ago, does that count?

I gave \$360 yesterday- not because I can afford it, but I couldn't afford not to.

Over the last year, GYE did for me what thousands of dollars of therapy didn't.

Thank you chevra, and thank you GYE!!

People ask over and over, how do I get sober? Watch what a guy like neshamaincharge does for recovery and you'll have your answer.
