

Filtered Device - Blog. See 1st post

Posted by Markz - 19 Aug 2015 20:09

---

### Here's the plan

In this group, logging on any filtered device that has 1% possible access to inappropriate websites / apps, late at night is not practiced.

- Choose 10, 10:30 or 11pm. Any important use can usually be done after 5am when we are in a clearer frame of mind.
- Any device that is 100% foolproof internet safe e.g. with white lists to exclusive kosher sites (unlike regular filters) is not a problem.

### How To Join The Group?

Please go to the [LOG Calendar](#) found on this link [HERE](#), and post only:

- **How long you want to join for**
- **Your 'good night' time**
- **Periodically update your calendar** if you want to extend, quit / take a break (cos the knas's are getting too expensive), or are jumping back on.

### Write a reason on this Post

If you decide to login after your 'goodnight time' you must first write a valid reason / excuse here on this blog why you feel exception should be granted to logon.

- Only extraordinary or emergency situations can be approved - no working overtime / browsing / shopping etc.
- If your friend / wife is with you, that can be a valid situation.
- If the reason is rejected by the forum group or administrator, we commit to pay \$5 knas to GYE.

### And if I forget?

- If we logon and didn't 'Write a reason', there's a \$15 knas to GYE the following day, regardless of whether we slipped to sin in the clutches of the web or not.

Please post ALL other questions and comments regarding the LOG calendar, in this Blog post.

Maybe try it for 7 days...

KOT!!

The good news is that it is now after 11, i am wide awake due to passing out while putting kids to sleep.

If not for today's commitment i would be back on YouTube now. Dancing but a little closer to the edge as i know all too well.

So a huge thank you to MarkZ again for this great initiative, i am now going to suffice with.  
..... learning some torah.

Until what time? I don't know.

I have a feeling i won't lose myself in the book and look up at the clock at 5 am.

Buy hey. That's just a wild guess.

Come on markz, Do you have to outbid me so outrageously?

I feel like an ashkenazi mashgiach trying to buy an sliya in a wealthy sfardi shul.

(Whatever the heck that means)

Yesod it's very simple. You're still an amateur. Another week you'll be with the us old folk ??  
?????,

and 90 days is like one day for 90 year old men

On gye they say

"Who cares about tomorrow?

Today Today (=90 day for sinyors)"

See you there my friend and hope you read my [share](#)
