I pray many times each day, it usually goes something like this: "God, I want to lust and drink in the view of these body parts, I know it's not good for me but I cannot stop, I'm totally ready that you should take away the temptation from me and keep me sober, as you can do for me what I cannot do for myself, so please keep me sober and let me find in you what I'm looking for in these body parts". What should I tell you, it works if I really mean it!
