lets go, i can heal, i can persevere, i can manage

My friend it's hard carrying a conversation with 2-3 words

The only other thing you've said is

[upnup wrote:](#)

i made it!! hi y'all

So please help me, could you try share a little more?

Like one more sentence...

You won't give up porn...?

What are you trying to say?

Look - if it's hard for you to elaborate, that's fine.

I was like that too.

It's a little disconcerting for me to see totally new threads created for posting 4 words, so I humbly request that you stick to your original thread, and post there as often as you can

Keep on Threading Trucking

Yes,

Welcome to GYE.

Why don't you introduce yourself?
