

90,000 Ways to stay clean.... in 20 words or less

Posted by Watson - 25 Feb 2016 23:48

Okay Chevra, we have 90,000 to go. Please keep to one method per post, and 20 words or less per method.

Please also state how long you've been clean using your method.

When you feel like acting out, make sure to read all 90,000 methods first.

My thanks to Shteeble for creating this theme.
