

Continuing free beyond 90 days

Posted by Josephsbrother - 09 Mar 2016 04:59

Josephsbrother will thank Our Maker in 5 days, 90 days a beginning of a new lust free lifestyle. At that time I will not be on 90 day chart. So in my Refuge and Fortress, and Shield I start on my 85th day moving to a better life. Life is full of ifs, yet each choice changes the if into a direction, as we keep choosing better choices we can expect to reap a harvest reward, this is apart of His promises. We may have to wait, but when the benefit of His presence comes, it will be worth it all.

day 209: In FI, we have some rivers for inner tubing, and kayaking, so we have woman around a lot in clothing for swimming, they can often be seen at the government center, for one parking lot for the river is there, yes us men have places of challenge, after work is a main route home by bicycle, I have to be prepared before I arrive to know if I not in our Maker I could start lusting, the woman not always so poorly dress so I get a few breaks, but I know that I can not always expect no temptations there, so I set my heart to consciously be with our Elohim, bless be the One! Yes bicycles are slower than car, but keeping the eyes straight on the road, keep lust out of sight, and the tourist enjoying themselves, and me enjoying purity.

Day 221: Finally have a car again, more work growing, good deeds of kindness increasing, my wife and I enjoying being able to sharing the shopping experience, a life shared is the joy of life, and is a great victory tool to avoid seeking stranger in intimate activity. It a whole man and woman that seek to share life together, that the want for shallow physical intimacy are not sought after.

Day 226: Growing in love with wife, loving and knowing the mind of my queen, is a way to keep the swallow looks of outer skin avoided. So beautiful the inner beauty of soul, it is so bless to have our Maker keep me seeking to bless wife and family, and then out of this love, others.

It is touching that you are rooting for me, and my prayers and love are rooting for you, I might have only a few minutes, but I know just a few words can help, often that is all I can reach for myself, yet The Almighty is my main stay, and tough my battle was without car, I can not say that now, Someone saw my efforts to bless others, and gave me a car recently, so keep reaching for the right, be kind, aim for the best, and we shall all be successful, one day at a time. Keep coming to ground zero, here, with friend who are in the battle with you, it was a help to know others were seeking my victory, I had to succeed, not just for me, and women, but for all other fellow men, Let do it, and if and when we fall, get up, get up, let us go to the grave seeking to be righteous men.

Day 238: Where ever I am in the battles of life, I count today my greater test, tomorrow is not as important, for today stand between it and the future, Now is the moments of present experience, now is the time I can alter by choice, by leaning on my Maker. Our Maker make women beautiful, and yes beauty is desirable, yet we have the honor to chose the set apart way we treat every mother, daughter, cousin, neighbor, aunt, stranger, country women, youth, etc. I shall lean on the Almighty to choose my day, choose my direction, in One we can determine if we shall be His sons, and be of benefit to man, and universe.
