

Reading SA White Book in toilets ?

Hi all !

Someone asked me this question but I am not sure about the answer, that's why I also ask you about his problem...

Is it possible to read the SA White Book in toilets ?

For him, there is a problem about the White Book because it's like a sifrei of Musar for him, and Divrei Torah.

I see another problem because the name of G.od is written in full letters inside, I think.

But, in another hand, it's allowed and even recommended to think at Divrei Torah in toilets than to think to bizarre thoughts or lust...

So, I think that is allowed.

What do you think ?

I remember the days of worrying about thinking Torah in the bathroom. I never thought Torah in the bathroom when I was acting out.

You put in word what I was thinking about his question.

So I think we are all agree...

And effectively, the name of G.od is spelled many time in the White Book.
