

Pidaini & Mr Emunah's P & M Mincha Group

Posted by cordnoy - 26 Mar 2017 03:28

Inspired by two of yesteryear's greats, I'd like to initiate a new nonexclusive group.

First, some background:

Pidaini initiated a KRIS"H group for shema al haMitah.

Mr. Emunah was a countin' to the P and the M (he is in the thousands now B"H).

On Friday, there was an in-depth conversation on the Phone from fellows on both sides of the Pond regardin' connections to God, and it spilled out that some (includin' I) are not the best Minchah go'ers, to say the least. Therefore, i figured that what better way is there than to start a Mini group to the P and to the M for all those who wish to be Mechazek in Minchah services. Perhaps we/I can build a connection in this way; and if not, it Probably can't hurt.

The rules for this group are:

There ain't no rules!

Suggestions:

1. Any word beginnin' with a P or an M should be capitalized.
2. If you Post on this thread, you should end it by indicatin' your streak to the P(rivate Minchah) and to the M(inyan Minchah).

2 to the P and 2 to the M!

So I got caught up in Eslaasos' Momentous thread in the BB section and Missed the easy Mincha.

Thanks to the Power of my Peers I took myself to a Mincha in a Minyan i never went to before.

The schoot for that Mitzvah gets shared with our Rosh Yeshiva, Reb. C

Thanks for the opportunity you are giving me here to chap some real tangible Mitzvot.

2 to the P and 2 to the M!

At first I was gonna comment about the capitalization, but then I decided that people should have their space.

Greatl news!

What would guys like us do with a "time and a location"? Isn't that why this group was created?

GOSH!

It was *this* easy!

Cords, on the double! Put up another thread where you count backwards for every day you don't P and M for real

3 to the P 3 to the M #nochazaka

Nothing beats a nice little kerfuffle with the wife to get in the way of a mitzvah but I waited until after Kedusha before skidaddling!

Lesson learnt: taking the blame after being blamed doesn't always help.

Stressful day today so it was expected.
