

Pidaini & Mr Emunah's P & M Mincha Group

Posted by cordnoy - 26 Mar 2017 03:28

Inspired by two of yesteryear's greats, I'd like to initiate a new nonexclusive group.

First, some background:

Pidaini initiated a KRIS"H group for shema al haMitah.

Mr. Emunah was a countin' to the P and the M (he is in the thousands now B"H).

On Friday, there was an in-depth conversation on the Phone from fellows on both sides of the Pond regardin' connections to God, and it spilled out that some (includin' I) are not the best Minchah go'ers, to say the least. Therefore, i figured that what better way is there than to start a Mini group to the P and to the M for all those who wish to be Mechazek in Minchah services. Perhaps we/I can build a connection in this way; and if not, it Probably can't hurt.

The rules for this group are:

There ain't no rules!

Suggestions:

1. Any word beginnin' with a P or an M should be capitalized.
2. If you Post on this thread, you should end it by indicatin' your streak to the P(rivate Minchah) and to the M(inyan Minchah).

2 to the P and 2 to the M!

Thanks to this thread, I remembered the P Part. Totally missed the M. Barely Made it in time, on a Chassidisher Clock.

Do I write 13P 12M? Or is it 13P, 0M?

Cords,

I owe you a Personal thanks! I had an extremely busy day at work. Was in the office approx. 12 hours non stop, except for a few short bathroom breaks. Finally was heading home. I was heading to the subway when I decided to check the forum. Since I am subscribed to this group, I saw an alert for new topics. It was a Post by you updating your daily count. It hit me, Oish I missed the Minyan today. I checked the Zemanim and noticed it is 10 Minutes before 72. being 40 Minutes away from a Minyan, I just found a quiet corner and Prayed.

My first real victory with belonging to a group. Thanks everyone and a special Thank You for
