

Pidaini & Mr Emunah's P & M Mincha Group

Posted by cordnoy - 26 Mar 2017 03:28

Inspired by two of yesteryear's greats, I'd like to initiate a new nonexclusive group.

First, some background:

Pidaini initiated a KRIS"H group for shema al haMitah.

Mr. Emunah was a countin' to the P and the M (he is in the thousands now B"H).

On Friday, there was an in-depth conversation on the Phone from fellows on both sides of the Pond regardin' connections to God, and it spilled out that some (includin' I) are not the best Minchah go'ers, to say the least. Therefore, i figured that what better way is there than to start a Mini group to the P and to the M for all those who wish to be Mechazek in Minchah services. Perhaps we/I can build a connection in this way; and if not, it Probably can't hurt.

The rules for this group are:

There ain't no rules!

Suggestions:

1. Any word beginnin' with a P or an M should be capitalized.
2. If you Post on this thread, you should end it by indicatin' your streak to the P(rivate Minchah) and to the M(inyan Minchah).

2 to the P and 2 to the M!

Mincha!?

What's with Shacharis?

Isn't half the problem your bed?

Nobody's in bed at sunset time.

Start a shacharis thread.

Oh, you can't get up.

Well, what were you watching the night before?

How many times did you act out in middle of the night?

Of course, you can't wake up!

Shachris!?

What's with Mincha?

Isn't half the problem your head?

Nobody makes it for winter sunset time.

Start a Winter Mincha thread.

Oh, your PC doesn't have hibernation mode

Well, what were you watching the 2 hours before?

How many times did you act out in middle of the day?

Of course, you can't make Pidaiemuna's P&M!

So, 64 was a bit of an issue. I got there basically on time, but then I had an emergency of sorts. I Made it in to the shul and started davanin' when they were almost finished. I looked around; there were at least 15 People davanin', so I think it's fine. Then I forgot yaaleh vayavo, but didn't realize until I was about to daven Maariv s"e. Couldn't even Make it up then as a tashlumin. Oh well. I tried.

65 to the P and 65 to the M.
