

Pidaini & Mr Emunah's P & M Mincha Group

Posted by cordnoy - 26 Mar 2017 03:28

Inspired by two of yesteryear's greats, I'd like to initiate a new nonexclusive group.

First, some background:

Pidaini initiated a KRIS"H group for shema al haMitah.

Mr. Emunah was a countin' to the P and the M (he is in the thousands now B"H).

On Friday, there was an in-depth conversation on the Phone from fellows on both sides of the Pond regardin' connections to God, and it spilled out that some (includin' I) are not the best Minchah go'ers, to say the least. Therefore, i figured that what better way is there than to start a Mini group to the P and to the M for all those who wish to be Mechazek in Minchah services. Perhaps we/I can build a connection in this way; and if not, it Probably can't hurt.

The rules for this group are:

There ain't no rules!

Suggestions:

1. Any word beginnin' with a P or an M should be capitalized.
2. If you Post on this thread, you should end it by indicatin' your streak to the P(rivate Minchah) and to the M(inyan Minchah).

2 to the P and 2 to the M!

I exPress Much thanks to this group. I really thought I was struggling alone with Mincha duties,

or at least I were a vast Minority. But you guys have shown me the light. May we all succeed together!

6 to the P and 6 to the M.

So, durin' Mincha I asked Myself: am I any More connected now? Didn't see any reason why the answer should be yes. I Made up that by tomorrow, I should be able to tell God that one time in the past twenty four hours, when I was faced with Makin' a decision, I asked Myself: what would God want Me to do? Will let you know tomorrow God-willin' if that happened.

7 to the P and 7 to the M!

B"H, a full week.

Thanks ffellows (all of you).

So, on my way here, I was a little down: although the dayl was Pressure-filled with chesed, work, More chesed, health related issues, family stuff, and another few hours of community helpin' still left, I never the less never once consciously said: what does God want from Me? But as I began typin' this andl the Minyan began ashrei, I asked Myself: what does God want from Me? I put away the phone and waited until after kedushah.

Onward!

Its one of my bad habits,

I type until I can't...

1to the P and 1 to the M.

Fridays and Shabbosim are harder for me to get to... you would think it would be the other way round.

BH this is one count that I can grow in without any emotional baggage.

And then i miss mincha

Two 2 the P, § two 2 the M

Not sure what kedusha has to do with M. I always thought that the characteristic of an M was starting SA together with an M. (Or at least with the C)

Warning: Spoiler!

10 to the P and 10 to the M!

Hey, Cords, ten is the amount of Makkos that Paraoh and the Mitzriim suffered in Mitzrayim. Are you sufferin'? Is it easy; hard? It should be Midah kinaged Midah.
