

Pidaini & Mr Emunah's P & M Mincha Group

Posted by cordnoy - 26 Mar 2017 03:28

Inspired by two of yesteryear's greats, I'd like to initiate a new nonexclusive group.

First, some background:

Pidaini initiated a KRIS"H group for shema al haMitah.

Mr. Emunah was a countin' to the P and the M (he is in the thousands now B"H).

On Friday, there was an in-depth conversation on the Phone from fellows on both sides of the Pond regardin' connections to God, and it spilled out that some (includin' I) are not the best Minchah go'ers, to say the least. Therefore, i figured that what better way is there than to start a Mini group to the P and to the M for all those who wish to be Mechazek in Minchah services. Perhaps we/I can build a connection in this way; and if not, it Probably can't hurt.

The rules for this group are:

There ain't no rules!

Suggestions:

1. Any word beginnin' with a P or an M should be capitalized.
2. If you Post on this thread, you should end it by indicatin' your streak to the P(rivate Minchah) and to the M(inyan Minchah).

2 to the P and 2 to the M!

However on June 4th I missed Mincha with minyan - davened b'yichidus

What's my count?

46 to the P and 10 to the M

Thanks

First time in my life I'm actually concerned as to what will be with Mincha Prayer durin' our vacation (which is also a first).

Good thin' there won't be any Minyan Possibility at all.

If you can locate a Minyan in anchorage, i would think it be possible anywhere. unless of course your vacationing in anchorage.

Here is what I decided for Myself. As this thread has no rules, y'all can choose to do as you Please.

SteaksStreaks (both of 'em), are a good thin', in general, and therefore, I'd like to keep 'em comin' as Much as Possible - if it's warranted.

Vacation rules for Myself:

1. When the Possibility exists and it is not a Major burden on the situation, try to Make the Minyan.
2. If not, try to daven with a siddur.
3. Try to extend that to all Prayers durin' vacation (not only Mincha).
4. Add a short Prayer to God sayin' that you hope He recognizes this as if He would in a quorum of ten, for you are Part of a group of People searchin' for betterment, improvement and inspiration.
5. Finally, if all of the above are Met, the streak can continue, although, obviously, it is not regarded as if it was with a Minyan (e.g., 80/79, 81/79, etc.)

B'hatzlachah to all and safe travels - wherever they may take you.

The one time I missed was a true ones(beyond my control) so I have 53 to the P and 53 to the M
