Pidaini & Mr Emunah's P & M Mincha Group Posted by cordnoy - 26 Mar 2017 03:28

Inspired by two of yesteryear's greats, I'd like to initiate a new nonexclusive group.

First, some background:

Pidaini initiated a KRIS"H group for shema al haMitah.

Mr. Emunah was a countin' to the P and the M (he is in the thousands now B"H).

On Friday, there was an in-depth conversation on the Phone from fellows on both sides of the Pond regardin' connections to God, and it spilled out that some (includin' I) are not the best Minchah go'ers, to say the least. Therefore, i figured that what better way is there than to start a Mini group to the P and to the M for all those who wish to be Mechazek in Minchah services. Perhaps we/I can build a connection in this way; and if not, it Probably can't hurt.

The rules for this group are:

There ain't no rules!

Suggestions:

- 1. Any word beginnin' with a P or an M should be capitalized.
- 2. If you Post on this thread, you should end it by indicatin' your streak to the P(rivate Minchah) and to the M(inyan Minchah).

2 to the P and 2 to the M!

So im the only one who fell so far. :/
Am i a failure?
Soon the Omer is coming and im going to attempt maariv
Last year i failed on day 2.
Great attitude!
It will get you far.
And that Makes sense; as you are a Pro at Mincha, why not go for Maariv as well?
Thank you for the chizzuk!
So I will go far by believing that I am a failure?
Up until last week I was not into Mincha, this group has renewed my abilities to walk the half minute slog to the bet knesset.
So I dont know about being a pro
Talking of Maariv, since most of the time I miss Kriyas shema with no Maariv, shouldnt I be focusing on fixing Maariv first?

GYE - Guard Your Eyes Generated: 11 July, 2025, 14:10 No, you probably will not go far thinking you're a failure; that was my point. 12 to the P and 12 to the M!
My wife almost ruined it for Me this evenin', as I was nappin' on the couch, she woke Me with her naggin' voice, "you're gonna Miss Mincha; the boys already left." Like, haven't you noticed that I have actually been attendin' and Prayin' the Past two weeks; just shut up already.
But I went anyway.
