Dd this happen at your home or at Yeshiva?

Do you mean literally walked in, or you saw a "vision" of your Rabbi?

hi wanted to let everyone know that i was once in bed and was about to fall and right before i fell my rabbi walked in to the room to wake me up which proofs that when someone wants to do good hashem will help them

And what happened the other 50 times that you fell, or wanted not to fall?
